Optional Epicurean Land Adventures

In addition to the following CORK & TEE epicurean experiences, SEADREAM will offer a range of shore excursions highlighted by a private tour of the Alhambra in Granada.

Pre-Voyage

Oct. 17: Avant-Garde Cuisine Cooking Class: Introduced more than 10 years ago by acclaimed Catalan chef Ferran Adria, Spanish “nueva cocina” methods have captivated epicureans around the globe. This cooking class and dinner will provide participants with the opportunity to learn the basics of avant-garde cuisine from one of the talented young chefs of the moment. The class, which will be held in Barcelona, will allow participants to experiment with new-style methods that employ liquid nitrogen, vapor and heat vacuums. Limited to 10 participants, the class will conclude with a four-course dinner with wine pairings. *Pricing is in development*

Oct. 18: Epicurean & Cultural Walking Tour of Barcelona: Hosted by our exceptional Barcelona guide, this half-day tour includes cultural visits in the charming Gothic Quarter and Born district, as well as some of the masterworks of famed architect Antoni Gaudi. A visit and tour of the outstanding La Boqueria food market will be included in addition to stop-offs with tastings at some of the city’s great food shops that offer Catalan chocolate and other specialties. A tapas lunch also is included. The tour is limited to 15 participants and may also be offered on October 17, based on demand. Limited to 15 participants. *Price Per Person: \$195*

During the Voyage

Oct. 25: Andalusian Culinary Journey: Begin the day with a tour of the atmospheric Encarnacion Market led by chef Ruth Roberts. After returning to Ruth’s flat, which offers spectacular views of the Seville cathedral, you’ll have the opportunity to participate in the preparation of a three-course traditional Andalusian lunch paired with local wines. This experience is limited to 8 individuals. *Price Per Person: \$185*

Oct. 26: Fruits of the Sea: A Portuguese Culinary Experience: Portuguese cuisine is synonymous with exceptional seafood, and the Algarve is home to a centuries-old dish called Cataplana that will be the focus of this epicurean experience. Comprised of clams, mussels, prawns, small pieces of chicken, pork or chorizo on occasion, tomatoes, onions, fresh herbs and a healthy dose of red wine, Cataplana is cooked in a dome-shaped copper vessel of the same name that the Moors introduced to the region in the 8th century. Your day will begin with a private guided tour of the Loule fish market. The cooking lesson will be led by a chef at the five-star Vila Vita Parc hotel and lunch will be served at the hotel’s Cellar restaurant, which is reminiscent of an everyday Portuguese taverna. Limited to 10 participants. *Price Per Person: \$195*
