CORK & TEE's Livermore Valley Golf and Wine Academy is the educational marriage of two passions. We start with the foundation of a 2-day golf school, covering the full-swing and short-game basics. Then we add 45 holes of classic, Northern California golf. On top of it all, we incorporate entertaining and educational wine and culinary activities to deliver a fun-filled, long-weekend experience.

The Golf

The Livermore Valley Golf and Wine Academy is fortunate to have access to The Course at Wente Vineyards and Poppy Ridge Golf Course. Poppy Ridge, where instruction will take place, is a 27-hole Rees Jones design that is the recipient of countless awards for its layout and conditioning. The Course at Wente, by Greg Norman, is the former home of the Nationwide Tour's Livermore Wine Country Championship and is as challenging as it is scenic.

The Wine

The Livermore Valley, California's oldest winemaking region, has been experiencing a renaissance during the past decade. Best known for Concannon and Wente Vineyards, the oldest continuously operating family-owned winery in the U.S., the region also includes numerous small, family-run wineries, such as Tenuta Vineyards. Livermore's diverse terroir enables a bounty of varietals to thrive, from the ubiquitous Merlot and Chardonnay to sumptuous Italian and Rhone grapes and Pinot Noir. Our goal is to enhance your knowledge of California wine.

The Accommodations

The Rose Hotel, located in quaint downtown Pleasanton, is a 38-room, European-style boutique hotel offering richly-appointed accommodations and elegant surroundings to ensure an exceptional and restful stay in Livermore wine country.
